Where Students Become Educators.

February 2025
Founds Bitcoin Campus Zambia for university students

May 2025
First Bitcoin Diploma cohort: 25 of 30 completed

October 2026
Former students now teach; the Adopt & Adapt tour to Livingstone

“Seeing people who initially came to learn Bitcoin develop the knowledge and confidence to teach others has been one of the biggest achievements of building Bitcoin Campus Zambia.”

Paul Simatende
Founder, Bitcoin Campus Zambia

Bitcoin Education in Rural Kenya.

2023
Starts Beyond Adversity Academy in Muhuru, Migori County

May 2026
Educator Training Program

2026
Classes and bootcamps for 120+ children and 7 cohorts of young people

“Moving from learning about Bitcoin to becoming an educator and building a platform that creates opportunities for others has been one of the most rewarding experiences.”

Alfonce Ouma
Bitcoin Educator

Beyond Adversity Academy · Kenya

First Wallets, First Sats, in Uruguay.

April 2026
Educator Training Program, Spanish cohort

18 May 2026
First Mi Primer Sat workshop, at Bitcoin Week Uruguay

July 2026
Punta Bitcoin joins the Education Network

“Today Punta Bitcoin runs its own workshops in a street-front space in Punta del Este, and what stays with us most is seeing someone leave with their first wallet and their first sats.”

Néstor Rijo
Bitcoin Educator, with the Punta Bitcoin team and Bemlocal

One Diploma, Everywhere.

The new Bitcoin Diploma is **shorter**, and can be taught **in a single day or over a month**.

4
modules, in any order

8 h
minimum, no upper limit

51
languages

- **Competency-based:** educators, not attendance, decide when a student is ready to graduate.
- **30 open-source activities** to choose, adapt and contribute.
- **Half theory, half practice**, across the diploma.

From First Class to Certification.

Since March, the program has been **live, in small groups and free**. In October it grew into three stages.

What participants say

4.8 / 5 program rating

77% → 91% confident teaching Bitcoin

79% → 90% ready to teach

Participant surveys before and after Stage 1, 2026 cohorts.

“I recommend people join because it’s here that I got equipped with the knowledge I needed to start my first cohort.”

Florence Njeri, BitBiashara, Kenya

Stage 3

Earn the Name

A panel of three educators from outside My First Bitcoin certifies you.

Stage 2

Go Teach

Teach your own classes, with a mentor at your side.

Stage 1

Get Equipped

Six hours of live sessions in one week, in cohorts of 12 to 15.

87
completed in 2026
+30 since Phase 2
